

*Come work at CDSS where . . .*

**People come First!**

**Child Welfare Data Analysis Bureau**

**Has an immediate opening for the position of**

**RESEARCH PROGRAM *SPECIALIST III***

## EMPLOYMENT OPPORTUNITY

Under the general direction of the Research Manager III, the Research Program Specialist III will provide leadership in creating and implementing strategies to develop the Department's capacity for obtaining and analyzing new and existing sources of demographic/characteristic/and program participation data in support of the Child Welfare and Adult programs.

The incumbents will work with policymakers: to identify emerging data needs; to define strategies for developing and obtaining data, and to use the results to frame policy-making discussions. The RPS III will study areas where precedents are lacking or limited knowledge or experience with the subject exists, with an emphasis on synthesizing data from multiple data sources.

Currently located in Natomas, the Bureau will be moving to a newly refurbished building in downtown Sacramento, accessible to light rail in September.

**Final File Date: Until Filled**

If you are interested and would like to be part of the CDSS mission to make a difference in the life of a child, a family or an elderly person, please submit your application to:
